7. ☒ Examiner's Amendment/Comment
8. ☒ Examiner's Statement of Reasons for Allowance
9. ☐ Other _____

CHARLES BOYER
PRIMARY EXAMINER

Charles Boyer

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Richard Silverman on March 6, 2007.

The application has been amended as follows:

In line 1 of claims 1-10, delete "detergents" and insert -detergent—therefor

In line 2 of claim 11, delete "detergents" and insert -detergent—therefor

In line 6 of claim 5, delete "5"

In line 2 of claim 10, delete "1" and insert -6—therefor

In line 1 of claim 11, after "preparing", delete "a" and insert -the-- therefor

In line 2 of claim 11, after "ingredient" insert -according to claim 1—

In line 2 of claim 23, after "polycarboxylate" insert -according to claim 1—

In line 4 of claim 23, after "process" insert -further—

2. The following is an examiner's statement of reasons for allowance: Applicants have claimed a detergent ingredient consisting of an acidic polycarboxylate and alkaline silicate. Detergent granules containing polycarboxylate and silicate are known in the art, however, they are merely components of a detergent granule that contains additional surfactants, builders, and other adjuncts. The prior art does not teach a

distinct detergent granule consisting of polycarboxylate and silicate as the sole components. Accordingly, the present claims are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Charles I. Boyer whose telephone number is 571 272 1311. The examiner can normally be reached on M-Th 9:30 to 6:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Douglas McGinty can be reached on 571 272 1029. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
